Dear Friends & Colleagues,

Welcome to the 7th Congress of the Indian Society of Hip and Knee Surgeons to be held in Kolkata from the 26th - 28th April at the Hyatt Regency Hotel in Kolkata. It is with a great degree of satisfaction, that we invite you all to attend this academic feast in the Hip & Knee reconstruction. ISHKS, as you are aware, remains the most sought after arthroplasty meeting, because of patronage from you & industry alike. This year will be our first endeavour in Eastern India, which is opening up very fast to joint replacement surgery. As always, some very challenging topics will be deliberated during the meeting, hitherto untouched but very often daunting tasks in day to day practice. An outstanding International faculty will team up with an exciting Indian faculty to bring the best and latest thinking to you. A plethora of Clinical Sessions will be interspersed with Research Findings, Tips and Tricks, Detailed Operative Steps, Free Papers, a rolling E-Poster Session and of course the hallmark interactive discussions with an Audience Response System. Preliminary report of our registry will be presented, which has some very hard take home messages.

Our team is working overtime, to make this a grand success & take home messages should go a long way, in improving quality of our results after the operation. Ample time is allocated, as per appraisal from last meeting, for Clinical sessions, where you can interact with faculty, on one - to- one basis.

Please mark 26th to 28th April, on your calendars, & witness another stellar performance by ISHKS!

Kolkata.....The City of Joy

Kolkata, formerly known as Calcutta, is situated on the banks of the River Hooghly and is today more than 300 years old. Kolkata, the capital of West Bengal and gateway of Eastern India, is a medley of moods, styles, cultures, politics, industry and commerce. The rich cultural, literary and religious flavours are exquisitely exhibited in its fine arts, writing, music, dance and theatre. It is the home of four Nobel laureates - Ronald Ross, Rabindranath Tagore, Mother Teresa and Amartya Sen.

But, Kolkata is now witnessing a sea change. A flurry of activities in every sphere of life, be it Trading, Manufacturing, IT, Real Estate, Infrastructure Development, you name it, it's all happening here. The weather in April will be fairly warm but a refreshing wind will blow in the evenings. The temperature will be in the mid to high thirties.
